

# A Conceptual Approach for Relocation Strategy of a Local Bazaar in Hyderabad : An attempt to Preserve the Heritage Character of the Area

Tapaswini Mohapatra Samant

---

## Abstract

*Hyderabad the historic city with monuments, mosques and bazaar has been blessed with rich cultural heritage. The traditional impact is evident in many of its regional buildings; therefore, any new structure coming up in the city - corridor should reflect the character of the prevailing neighborhood. It should co-exist in terms of socio - economical, sentimental and traditional values of the users. Historic - image has to be recreated keeping the urban image intact. This paper bring into focus, a design proposal which has successfully managed to retain the heritage of an old bazaar and interpretation of the same into a modern building following a relocation project yet establishing fundamentals of historic urban connectivity.*

## 1. INTRODUCTION

Hyderabad the city of Nizams has transmitted the heritage character to the current and future generations and that legacy deserves respect. Hyderabad is a historic city noted for its many monuments, temples, churches, mosques, and bazaars. A multitude of influences has shaped the character of the city in the last 400 years. The city has been blessed with a rich cultural heritage. It is adorned with over 130 heritage buildings and 32 archaeological monuments. The traditional effects of this is noticeable in the regional buildings and also in
